

MOUNT CARMEL SCHOOL, CHANDIGARH

NOTICE.

Date: 26-04-2021

Dear Parents,  
Greetings from Mount Carmel School, Chandigarh

Covid 19 Pandemic has been one of the biggest challenges the human race has ever faced. It has shadowed the world with pain and crises.

People have been forced to be confined to the four walls of their houses for the safety of themselves and their loved ones.

MCS family stands in solidarity with all those who lost their loved ones during this Pandemic.

In order to show our concern to those parents who are facing difficulty during these odd hours, the school management has decided to extend the helping hand in the following ways:

1. Individual parents who have lost their jobs during pandemic may attach a proof of the same and send a request letter to the school principal with an understanding/undertaking that as soon as the situation improves they will clear all dues towards the school or a request for easy installments to pay the fee. The school management will surely treat such individual request on the compassionate grounds as done during 2020-21 session. But any parent found involved in any anti- school activity or mobilizing parents against the school will be treated accordingly.

2. Late fee will not be charged for the first quarter.

3. From the existing fee structure- medical, diary, magazine and I- card charges will not be charged till the school resume regular offline classes. Those who have already paid these as per the old fee structure may request for the adjustment of the same through an email.

Dear Parents , Mount Carmel School is an UNAIDED Minority Institution which along with its hardworking staff members had taken the cause of education ahead on regular basis despite of all adversities also and our teachers do deserve a word of motivation and their dues on time.

I am sure with each other's cooperation we will fight this battle against the COVID-19 Pandemic well and come out of it victorious together.

We pray for good health & God's safety upon each one of you & your family members

Regards  
Dr. Parveena John Singh  
Principal  
Mount Carmel School Chandigarh
