

MOUNT CARMEL SCHOOL, CHANDIGARH

NOTICE.

Date: 28-05-2021

Dear Parents/Guardian,
Greetings from Mount Carmel School, Chandigarh!

This is in continuation of the Circular dated 26-04-2021, vide which the School Management had extended a helping hand to all the Parents by way of certain concessions. As a sign of solidarity with the suffering humanity due to the severity of the second wave of COVID 19, the School Management has decided to put payments of the Computer Fee, Special Programme charges, School Cinema Charges, Career Counselling, DMIT, L.S. & Aptitude Test Charges & Unit Tests/Exams/ Worksheets Charges on hold till physical attendance of students at School. These charges would become payable when regular classes resume, on a pro rata basis for the remaining months of the current Academic Session.

Our teachers are working consistently and providing class appropriate content keeping the students engaged meaningfully in Academic and Co-curricular activities in spite of all the adversities. It is heartening to note the support extended by you to the children and the teachers at this difficult time. We are grateful to you.

As the School Management has to pay Salary to the staff and cater to other incidental/regular expenses, we would urge all to pay the fees regularly. This is to humbly remind you that Mount Carmel School is an **UNAIDED Minority Educational Institution**.

MCS family continues to stand in solidarity with all those who lost their loved ones during the Covid 19.

We pray for good health & God's safety upon each one of you & your family members.

Regards
Dr. Parveena John Singh
Principal
