NOTICE

Date: 09-09-2021

Dear Parents / Guardian (Class XII),

This is to bring to your kind notice that the attendance of your ward studying in Class XII is very less. This is to remind you that **Minimum 75% attendance is compulsory for every student to be able to appear for the Board Examination to be conducted by CBSE. Those who fall short of this will be allowed to sit for the Board Exam only if the shortfall in attendance is condoned by the C.B.S.E. So these matters should be taken seriously.** We request you to kindly ensure that your ward's attendance is as per the norms of the CBSE.

We covet your co-operation always, especially in this matter.

With all the best wishes!
