Dear Parents / Guardian (Classes Pre-Nursery to II),

Republic Day Celebrations.**

Greetings from Mount Carmel School, Chandigarh!

Republic Day is celebrated every year on 26th January, commemorating the day our Constitution came into effect on this day in the year 1950. The day symbolizes the country's transformation into a Sovereign Republic.

This year, we are thrilled to celebrate Republic Day with the Foundational Group, through various activities which have been designed to foster patriotism, unity, and an appreciation for our nation's rich heritage among young learners.
