

MOUNT CARMEL SCHOOL, CHANDIGARH

NOTICE

Date: 03-07-2023

Dear Parents/Guardian (Classes Nursery & K.G.)

Greetings from Mount Carmel School, Chandigarh!

We, at Mount Carmel School believe that children should be engaged in meaningful and enjoyable learning experience and strive ahead through the help of enriching creative activities.

Keeping up with the same vision, a '**Musical Chairs Competition**' will be conducted at the School for the students of Classes Nursery & K.G., as per the following details:

| Classes | Date | Timings |
|----------------|------------|---------------------|
| Nursery & K.G. | 11-07-2023 | During School Hours |

The event helps in learning to share space with others and navigate their bodies around others without knocking into them. It is an important part of sensory development. By playing this game, children are able to develop their understanding of their position in space as they dance, plan their route and then run to a chair.

Kindly send your wards in School uniform with sports shoes for the competition.
