**MOUNT CARMEL SCHOOL, CHANDIGARH**

**SUMMER VACATION**

**FUN ACTIVITIES**

**SESSION (2024-25)**

**CLASS - II**

**Dear Parents,**

**Holidays are always a welcome break from the normal routine and we all look forward to them. They give us opportunity to pursue all those activities that we enjoy but never found enough time to indulge in. Vacation is the time when you can spend a quality time with your child.**

**Make sure that you click photographs of your child while doing all these activities with him/her and paste the photographs in your scrap file.**

**We wish you a very happy and fruitful family time during this vacation and hope you have fun sharing the homework with your child.**

**Best Regards**

## Important Points

- **The activities are to be done in a scrap file.**
- **Parents are requested to only guide their children while doing the activities.**
- **Originality of the work will be appreciated.**
- **Activities will be assessed on the basis of content, presentation and creativity.**

# ENGLISH

## A WEEK FILLED WITH ACTIVITIES

Click pictures of your ward while they perform the following activities (with parent's assistance) and paste them in your scrap file.

### MONDAY

Make a mask of your favourite animal using a paper plate and write five sentences about it.

### TUESDAY

Put on your chef's cap and make any one of these (milkshake or vegetable sandwich) for your family members.

### WEDNESDAY

1. Water the plants in your garden.
2. Clean the water bottles and fill them with clean water.

## THURSDAY

Help your mother in laying the table. Make a list of the countable and uncountable nouns from your kitchen.

## FRIDAY

1. Share your toy with your special friend. Write five sentences about your friend.
2. Keep water for the birds and write the names of the birds which come to drink it (click the pictures).

## SATURDAY/SUNDAY

Read stories from any of the story book.  
Watch your favourite movie and write the names of characters in the movie.

### LEARNING OUTCOME:

Children will understand the value of sharing with others, this fosters social skills, builds positive relationships and makes us happy.

They will learn that we should have love and respect for all living creatures.

They will understand the difference between Countable and Uncountable nouns.

# हिंदी

1. प्रतिदिन अपनी हिंदी की पाठ्य-पुस्तक पढ़ने का अभ्यास करें।
2. घर में रखे पुराने अखबार की मदद से अपनी पसंद की कोई तीन चीजें बनाकर अपनी स्कैप फाइल में चिपकाएँ और किसी एक पर पाँच पंक्तियाँ लिखें।

अधिगम परिणाम:

हम बेकार वस्तुओं का सही उपयोग करके नई उपयोगी वस्तुएँ बना सकते हैं।

# MATHEMATICS

Draw/paste the picture of a building with 10 floors and mark each floor with an ordinal number.

## LEARNING OUTCOME:

The students will be able to organise items based on their position.  
They will understand that ordinal numbers show the sequence of events.
