HOLIDAYS ASSIGNMENT SESSION 2024-2025 CLASS IV

Dear Parents,

As the holiday season approaches, we are excited to present your child with a set of engaging and educational activities. These assignments are designed to reinforce the skills learned during the term and keep their minds active during the break. We encourage you to support and guide your child through these tasks, ensuring a balance between relaxation and learning.

GENERAL INSTRUCTIONS:

1. ***Outdoor Adventures:*** Plan regular trips to parks, nature reserves, or hiking trails. Encourage exploration and physical activity.
2. ***Gardening:*** Start a small garden at home. Gardening teaches responsibility and patience, and it's a fun way to learn about nature.
3. ***Cooking Together:*** Involve your child in meal planning and preparation. Cooking can be educational and fun, teaching math, science, and life skills.
4. ***Reading and Storytelling:*** Visit the local library and let your child choose books of interest. Create a daily reading routine or storytelling session.
5. ***Educational Outings:*** Visit museums, zoos, and cultural sites. These trips can be both fun and educational, sparking curiosity and learning.
6. ***Board Games and Puzzles:*** Play board games and work on puzzles together. These activities improve critical thinking, strategy, and teamwork.
7. ***Sports and Physical Activities:*** Encourage participation in sports, swimming, or bike riding. Physical activities are important for health and well-being.
8. ***Volunteering:*** Find local volunteering opportunities that are suitable for children. Volunteering teaches empathy and community involvement.

We hope you and your family have a wonderful holiday season filled with joy and quality time together.

EVS

1. LEARNING BY DOING

- A. Make separate scrap file sheets to do the assignments.
- B. Keep your room clean and well organized.
- C. Help your parents with daily chores.
- D. Don't forget to spend time with your grandparents and to help them.
- E. Plant a tree and nurture it.

Take waste / old containers (e.g., bottles, jars, pots). Colour them nicely and convert them into planters. Grow plants in these planters.

Water them every day and watch them grow.

- F. Make a BIRD BATH in this heat.

Look for a flat container and place it on the balcony slab or outside your home. Put some pebbles and stones in it to make its base heavy. Pour some fresh water in it every day for the birds, squirrels etc. to drink water from it.

How to show it?

Click pictures of your activity (E and F). Don't forget to include yourself in the picture. Paste it into Scrapbook with the proper heading.

ENGLISH

Books are our best friends and holidays are the best time to bond with them even more strongly than before. Here is a list of suggested reading or you can read any other book of your choice:

- Charlie and the Chocolate Factory by Ronald Dahl
- The Faraway Tree by Enid Blyton
- Panchtantra' by Vishnu Sharma
 - Treasure Island by Robert Louis Stevenson

* **Design a beautiful Book Cover for the book that you enjoyed reading and then write a review for that book. (You may use- ruled/plain A4 sheets.) The Book Review can consist of:**

-
- ❖ The name of the book along with that of the author
- ❖ Main idea of the story.
- ❖ What you liked and disliked about the story, or the characters in it, giving reasons. •
- ❖ Anything in the story that touched you or you found interesting/funny exciting/scary. •

Learning Outcome

- Exposure to diverse vocabulary, sentence structures, and writing styles in storybooks enhances language skills.
- Reading aloud or silently improves pronunciation, fluency, and comprehension.
- Readers make connections between events, characters, and themes, strengthening their analytical and comprehension skills.

Holidays offer wonderful opportunities for growth and self-improvement

As part of your holiday assignment, We encourage you to engage in an enriching activity and reflect on the lessons learnt from it. Choose an interesting activity you enjoy, such as observing nature in your backyard, playing games with siblings, cooking with family, or spending time with grandparents. Take a photo of this activity and write a brief description, highlighting what you learned from the experience. Whether it's practicing patience, teamwork, creativity, or simply finding joy in the little things, this assignment encourages self-improvement and appreciation for the world around you. Have fun exploring and reflecting on your holidays.

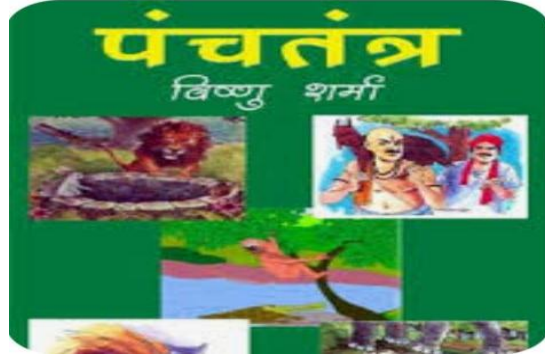

Learning Outcome

- ❖ Students will develop their ability to observe and appreciate the details of their chosen activity, whether it's nature, family interactions, or culinary processes.
- ❖ Expressing their thoughts and reflections in writing helps students refine their communication skills.
