

"Always remember what you have learned. Your education is your life - Guard it well". Proverbs 4:13

## MOUNT CARMEL SCHOOL, CHANDIGARH

### HOLIDAYS ASSIGNMENT SESSION 2024-2025 CLASS VII

Dear Parents,

As the holiday season approaches, we are excited to present your child with a set of engaging and educational activities. These assignments are designed to reinforce the skills learned during the term and keep their minds active during the break. We encourage you to support and guide your child through these tasks, ensuring a balance between relaxation and learning.

General Guidelines for Summer Holiday Assignments:

1. **\*Understanding the Project:\***

- Ensure your child reads and understands the project guidelines thoroughly.
- Discuss the objectives and expected outcomes of the project with your child to ensure clarity.

2. **\*Research and Resources:\***

- Guide your child in using various resources like books, educational websites.
- Encourage the use of the local library for additional materials.

3 **\*Encourage Independence:\***

- Allow your child to take ownership of their project, making decisions and solving problems on their own.
- Provide guidance and support when needed, but avoid doing the work for them.

4 **\*Creativity and Originality:\***

- Encourage your child to be creative and original in their work.
- Ensure all work is their own, and teach them the importance of citing sources to avoid plagiarism.

5 **\*Presentation:\***

- Discuss the importance of neatness and organization in presenting their project.
- Ensure that the project is visually appealing and easy to understand.

6 **\*Time Management:\***

- Encourage your child to work on the project a little each day rather than procrastinating until the deadline.
- Balance project work with relaxation and other holiday activities to avoid burnout.

We hope you and your family have a wonderful holiday season filled with joy and quality time together. Thank you for your continued support in your child's educational journey.

## English

### **Activity 1-** Craft Your Own Travel Journal:

Description: Design a customized travel journal to highlight the amazing experiences of your summer holiday in English. Document your explorations, encounters with interesting individuals, and thrilling activities enjoyed during your vacation. Utilize descriptive language to vividly depict each moment and ensure to express your emotions and reflections on your adventures."

**Activity 2-** Create a colorful and informative mind map on a large sheet (A3 size) illustrating English verb tenses. Make sure to include all the different forms of each tense along with examples. You can also make it more interesting by adding pictures, drawings, and cutouts to make it more engaging.

## Information Technology

The literacy rate of different countries is given in the following table (Refer to pg. no. – 140 of your book) and create a Map chart to show this data in Excel. Submit the print out of the Map chart.

## Social Science

a. Class Project: Population

Which factors influence changing population patterns?

How does the increasing population lead to air, water and land pollution?

b. Students can make the models of various atmospheric instruments as wind vane, anemometer, thermometer, raingauge. ( any one with labelled information).

Instructions:

For those making Population Project they are suppose to make a folder with proper information about population.

Those who will make models they have to make it with proper Project materials and should not be fragile.

Roll no. 1 to 20 will make folder.

Roll no. 21 to end will make the models.

Submission will be on 15th July 2024.

## Science

- 1 (Art Integrated Activity)- Each child will make a collage / poster with pictures of
  - (i) Autotrophic and heterotrophic plants
