"A Dad is someone you look up to every day, no matter how tall you grow". ♥

Father's Day is the day celebrated to honour fatherhood, as well as the influence of fathers in society. It is celebrated on 3rd Sunday of June.

FATHERS LIKE MOTHERS, are pillars in the development of a child's emotional well being.

Children look to their fathers to lay down the rules and enforce them. They also look to their fathers to provide a feeling of security, both physical and emotional.

Make this day special by doing something for your Father & let him know that how much special he is in your life.

As we did cold cooking in our class, prepare something special for your Dad and serve him:

1. Sandwich Or anything.
2. Lemonade.
