

MOUNT CARMEL SCHOOL, CHANDIGARH

NOTICE

Date: 14-08-2024

Reg: Bank Setup Activity.

Dear Parents / Guardian (Classes I & II),

Greetings from the Mount Carmel School, Chandigarh!

The School has planned an educational activity designed to help our young learners understand the basics of banking. A special Bank Setup will be organized in the School **on Friday, the 23rd August, 2024**, to provide students with a hands-on experience of the functioning of a Bank.

During this activity, students will learn about the procedures of depositing and withdrawing money, the functions and importance of banking and the roles of different Bank officials in a real Bank setting. This activity aims to equip students with practical knowledge that will be valuable as they grow.

We request you to send one chart paper with your ward by 20th August, 2024. The Class In-charge will inform the students regarding the colour of the chart paper.

We look forward to your support in making this learning experience fruitful and enriching.

Dr. Parveena John Singh
Principal
