

MOUNT CARMEL SCHOOL, CHANDIGARH

CIRCULAR

Date: 23-08-2024

Dear Parents / Guardian (Classes I to VIII)

Sub: Schedule for International Kids Film Festival (IKFF)- 2024:

In addition to the scholastics, the School strives that the students have the in-depth knowledge of the subject as well as enhance their factual, conceptual, reasoning, logical, analytical & problem solving skills, which help them to realize their true intellectual potential. Participation in various extra-curricular activities is encouraged to boost the morale of the students and give them maximum exposure. Stress is laid on innovation, experimentation and critical thinking and to instil these skills, the School lays a lot of emphasis on fostering Co-scholastic outcomes. We want to see our students achieve a sense of achievement, inter-personally as well as intra-personally. **Keeping up with the same vision the International Kids Film Festival (IKFF)-2024 is being hosted in the School for the students of classes I to VIII as per the following schedule during the School hours:**

Classes I to V	28-08-2024
Classes VI to VIII	27-08-2024

The International Kids Film Festival is a first-of-its-kind global film festival held in Schools across 20+ countries since 2017. It utilizes visual storytelling and the magic of cinema to inspire and educate young minds. Visual storytelling is an essential life skill in a world dominated by audio-visual content. Exposing children to different languages, cultures, emotions, and life challenges through films is the need of the hour in a connected world. IKFF is an opportunity for students across the globe to watch the best of International Children's Cinema, learn filmmaking through workshops and master-classes and make films to participate in the world's largest student filmmaking competition.

Please ensure that your ward attends School as per the scheduled dates.

Dr. Parveena John Singh
Principal
