Every new beginning holds the promise of endless possibilities

A Special Assembly had been conducted to mark the beginning of the academic year.

The new session commenced with a Prayer to seek blessings of the Almighty.

Students were lovingly engaged in various fun activities to create an enjoyable and memorable start to the session.

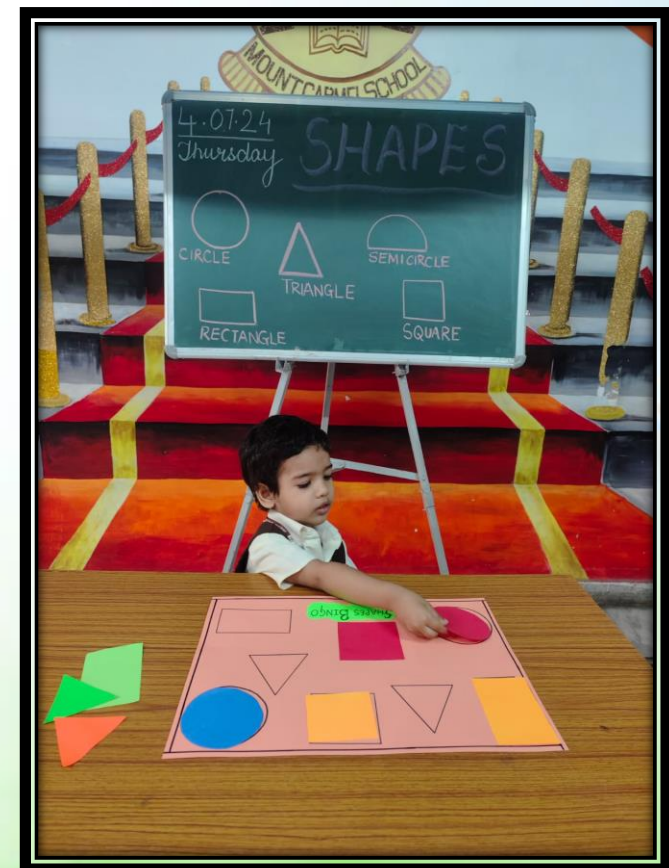

The first day of the session was carefully planned with a variety of exciting activities for them to learn with fun. They were warmly welcomed into a creative and lively atmosphere, where they eagerly took part in activities that sparked their interest and gave them lasting memories to be reminisced forever..

Stepping Into a New World: My First School Experience.

"The first step into my school is where I begin to learn in a way that excites me. Learning here isn't just a task—it's a joy I share every day with my friends. Each moment is valuable, filled with new concepts and teamwork. I'm not just gaining knowledge; I'm growing, understanding my peers, and connecting better with the world around me."

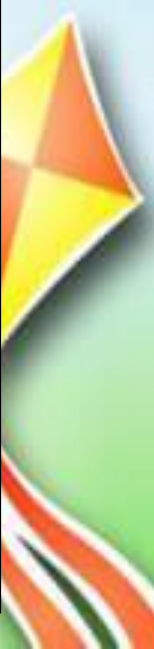

"Discovering the World Through Shapes".

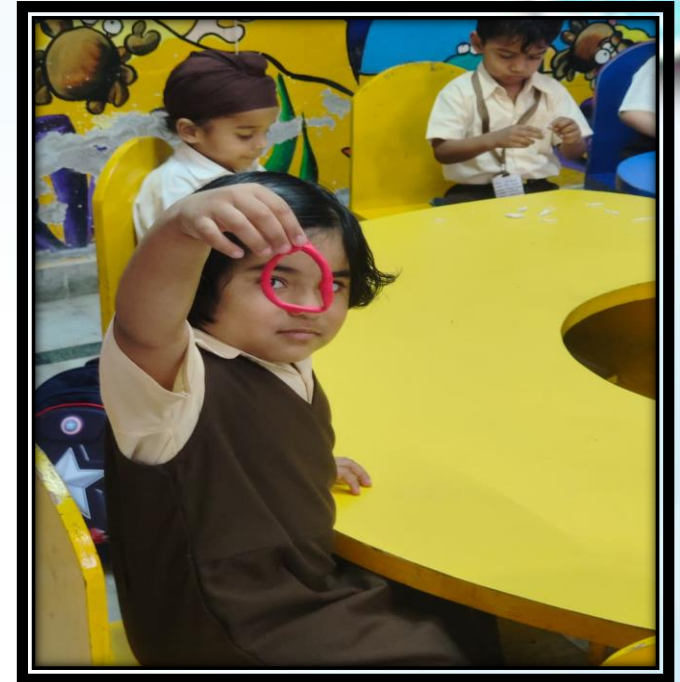

"Learning shapes through hands-on activities transforms abstract concepts into playful discoveries. Children engage, explore, and connect with the world around them, turning every shape into a stepping stone of curiosity and creativity."

LEARNING SHAPES BECOMES A DELIGHTFUL ADVENTURE, WHERE EVERY CORNER AND CURVE UNFOLDS WITH JOY, MAKING EACH DISCOVERY A MOMENT OF PURE FUN.

“Playroom (Balvatika) : A vital heaven for fun filled learning; nurturing creativity in every child.”

In the joyful embrace of the Play room or our Bal Vatika, the little ones discover the magic of concept building , engulfed with laughter, fun and happiness. Here, every game is a lesson, and every moment is a step in their journey of growth and wonder.

Students had a delightful time in the woodland area, where they immersed themselves in the natural surroundings, played and drew various shapes in the sandpit, enjoyed the feel of being in the woods.

"MCS Wonderland A Peek Inside Our Magical Playroom."

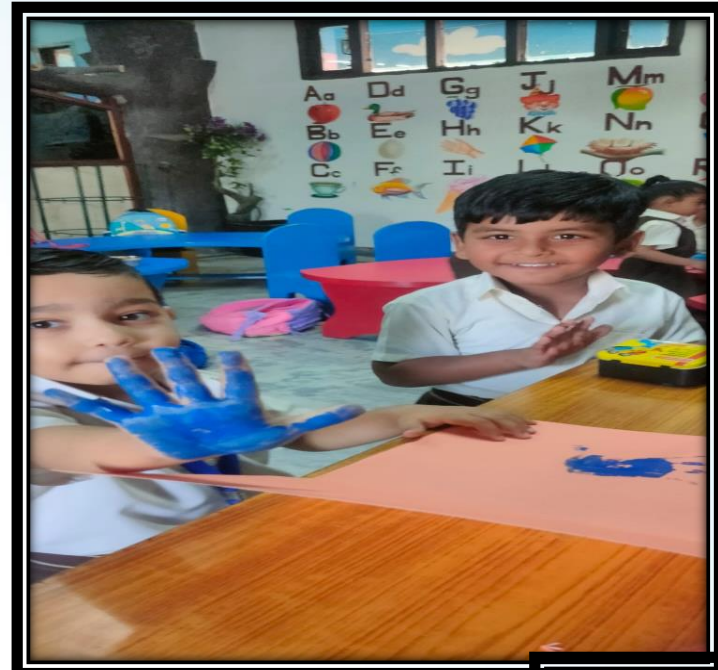

With props in hand, the students beautifully narrated their stories, showcasing creativity and hard work. The confidence on their faces was a testament to their dedication, making it a truly wonderful experience for everyone.

Celebrating Mother's Day

On Mother's Day, our little artists crafted beautiful cards for their mothers, each one a gratified expression of their love and affection. Through their vibrant creations, they celebrated the special bond they share with their moms, making this day a truly memorable tribute to their cherished mothers.

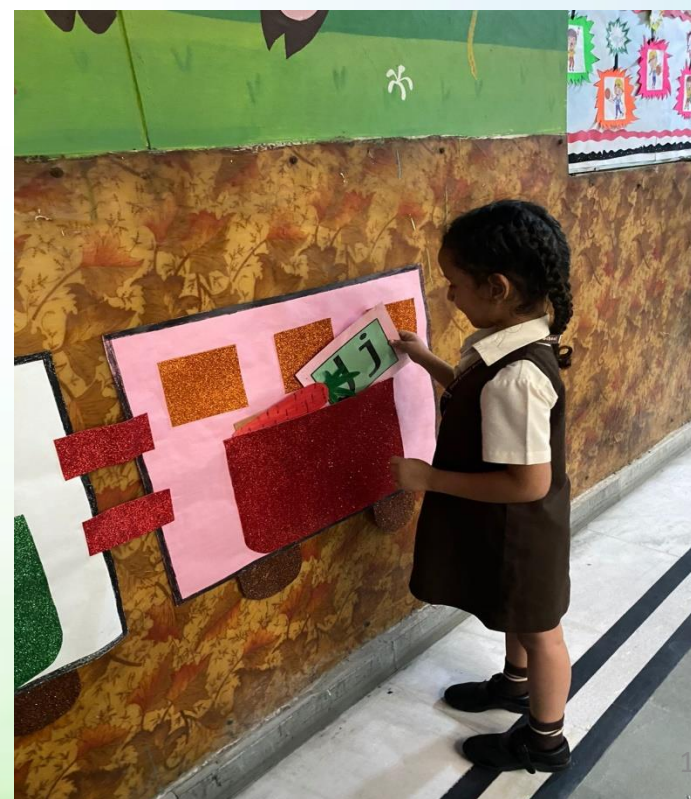

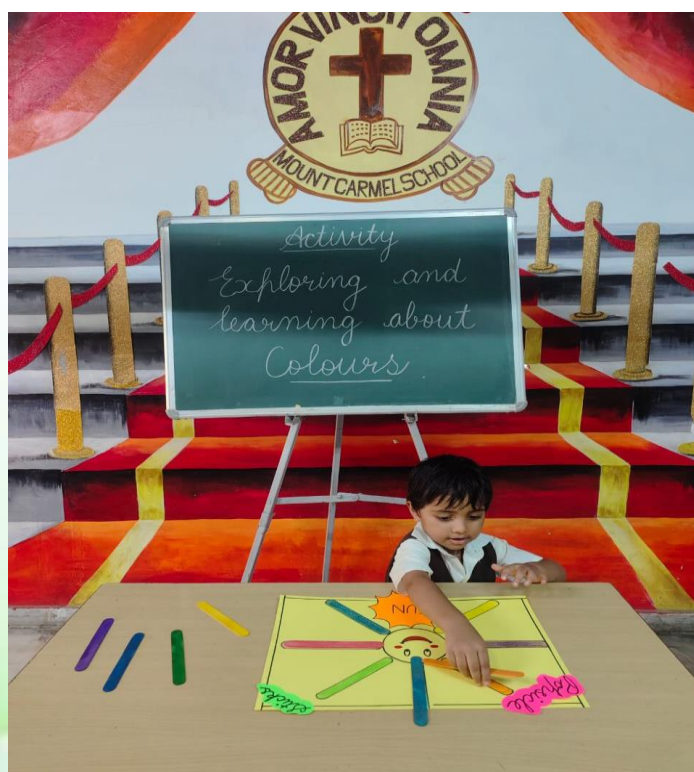

The mothers, thoroughly enjoyed the event, and their happiness was evident on their faces. Their participation in various games and activities was met with heartfelt appreciation by their wards. The joy of being celebrated and awarded made the day even more special for them.

"Learning Isn't Just Through Books—it Can Be Created Through Fun!"

At Mount Camel School, students experience more than rote learning; we make education enjoyable through engaging activities. By incorporating diversified methods, we make learning easier and more comfortable, allowing students to grasp concepts quickly and effectively.

Instilling the Importance of Caring for Our Environment"

At Mount Carmel, we learn to value our environment by planting new saplings, ranging from medicinal herbs to fruit trees. Our nature walks deepened our understanding of how the environment supports our growth, making this experience truly meaningful.

"Fostering confidence and enriching vocabulary through engaging verbal competitions."

Mastering language, whether our national tongue or a foreign one, is essential for connecting with the world. At Mount Carmel, we nurture this skill by organizing competitions like Story Narration and Recitation for the little ones, empowering them with the confidence to engage and socialize effectively.

“The Power of Sports in Building Strong, Confident Students”

Sports are an essential part of school life, breaking up the routine of daily studies and bringing strength and joy to students. At Mount Carmel School, our young learners engage in a variety of physical exercises that not only teaches them to play games but also helps them to explore different skills further helping them to develop teamwork, coordination, confidence, and stamina, all in a fun filled and nurturing environment.

"Colours come alive through hands-on learning, where every shade tells a story and every hue sparks joy."

Knowing about colours through self exploration is most effective and enjoyable . The lemonade and Rooh Afza parties added a delightful twist to the experience, making the event even more memorable. Students not only learned about colours but also expanded their vocabulary by using the new words which were introduced during the conversation. It was truly one of the highlights of the classroom activities.

A Special Assembly was organised for Class KG B on the theme-'The Exhilarating Summer Season'. It was a wonderful way of enabling the Young Mount Carmelites to perform confidently in front of a large audience and learn about the summer season.

Students are joyfully swinging in the swing area, their laughter echoing as they soar through the air with delight.

Harvesting Life Lessons: Learning Through a Hands-On Vegetable Market Experience"

"In the vibrant bustle of a market, children learnt the art of buying and selling, turning every transaction into a lesson in life."

OUR SHINNING MOMENTS

Fancy dress event at Mount Carmel School

Mount Carmel School students wear colourful attires at the fancy dress competition. HT

CHANDIGARH: A fancy dress competition was organised at Mount Carmel School to nurture children's creativity.

The competition was organised under the guidance of school founder Annie Charles Samuel, director Earnest Charles J Samuel and principal Parveena John Singh.

The students of Classes pre-nursery to 12 participated in the fancy dress competition with enthusiasm. They dressed up as different characters and wore colourful attires.

The competition provided the students with an opportunity to foster their creativity and helped them perceive the world through the eyes of their preferred characters.

The students showcased their tal-

ent on the school stage and spoke about their characters, including the reasons for dressing up as them.

The school management awarded the best-dressed students with prizes to motivate them to keep participating in such events organised at the school.

The efforts of all the participants for displaying their artistic flair were appreciated by the school principal. Singh's motivational words encouraged the students to pursue their ambitions.

The competition proved to be a great learning experience for the students and helped them develop empathy for their favourite characters by creatively dressing up as them.

With the aim to nurture children's creativity, a Fancy Dress Competition was organised for pre-nursery to Class XII at the school. The students were full of enthusiasm as they became different characters and enthralled everyone with their colourful attires. The competition gave them an opportunity to grow their seeds of creativity while imbibing empathy and seeing the world through the eyes of someone else. The students used the stage to hone and express their talent while speaking a few lines about their character. In order to motivate them to keep participating, the best ones were awarded with a prize. The mesmerising show came to an end with everyone's efforts being appreciated. The young ones were lauded for their artistic flair and showmanship by Principal Dr Parveena John Singh. Her motivational words gave wings to the children's dreams and encouraged them to pursue their ambitions. The competition proved to be a great learning experience.
