Dear Parents/Guardian (Classes III to X),  
Greetings from Mount Carmel School, Chandigarh!

**Reg.: International Benchmark Tests Mains-2024 by Australian Council for Educational Research.**

The Australian Council for Educational Research (India) organizes International Benchmark Tests. IBT is a high-quality online assessment programme that has been designed to assess the learning outcomes of students in **English, Mathematics, Science & Reasoning** in classes 3–10.

**Why IBT?**

1. Student performance results of IBT are obtained by employing ACER’s proprietary Conquest statistical software that applies advanced psychometric methods of data analysis. ACER has more than 90 years of experience in educational research and assessment.
2. IBT online is administered through ACER’s secure and reliable platform, Online Assessment and Reporting System (OARS). OARS has been used by educational institutions around the globe to assess students confidently, including for high-stakes tests. IBT online assessments are easy to administer and require minimum preparation for test invigilators.
3. The learning data from IBT will help to answer specific questions related to student learning in line with the priorities highlighted in the National Education Policy (NEP) 2020.

**Benefits of IBT:-**
