**Sub: Parakh Rashtriya Sarvekshan 2024**

Dear Parents/Guardians (Classes III, VI & IX),  
Greetings from Mount Carmel School, Chandigarh!  
Please make a note of the following-

The Parakh Rashtriya Sarvekshan 2024 (formerly known as the National Achievement Survey) is the largest, nationwide, sample based educational survey to be conducted across India by the N.C.E.R.T. It aims at evaluating, analyzing and enriching students' competencies at Foundational, Preparatory and Middle stages of education (Grades 3, 6 and 9). It is not a School-Based Examination. It is a System Level Assessment conducted on a nationally representative sample that aims to provide feedback on the effectiveness of the school education system in our country. The survey will use a paper-based approach with OMR technology to provide insights into student progress at the District, State and National Levels. The Assessment will be held within the School premises and during School hours. Students must be present on the day of the Assessment and be regular to School for practicing the worksheets daily. This initiative embodies the principles of the National Education Policy, fostering an inclusive, equitable, and holistic approach to education in India in alignment with the National Education Policy 2020.

**DATE OF ASSESSMENT: 4<sup>th</sup> DECEMBER 2024 (During School Hours)**
