

MOUNT CARMEL SCHOOL, CHANDIGARH

**NOTICE**

Dated: 06-11-2024

Dear Parents/Guardian,  
Greetings from Mount Carmel School, Chandigarh!

**Sub: Schedule for International Benchmark Tests Mains-2024.**

Kindly note the following:

In addition to scholastics, the School strives that the students have in-depth knowledge of the subject as well as enhance their factual, conceptual, reasoning, logical, analytical & problem solving skills, which help them to realize their true intellectual potential. Participation in Inter-School Competitions, Events and Olympiads is encouraged to boost the morale of the students and give them maximum exposure. Stress is laid on innovation, experimentation and critical thinking and to instil these skills, the School lays a lot of emphasis on fostering Co-scholastic outcomes. We want to see our students achieve a sense of achievement, inter-personally as well as intra-personally. Thus, by giving opportunity to participate in various Olympiads / Tests, we also try to help the students to work on their aptitude as well as attitude towards learning and allowing them to trigger their interest in multiple subjects.

**Keeping up with the same vision, kindly note the schedule for International Benchmark Tests Mains-2024 by Australian Council for Educational Research:**
