Subject: "Ek Ped Maa Ke Naam 2.0" Campaign on World Environment day.

Dear Parents/Guardian & Students (Classes Nursery to XII)

Greetings from Mount Carmel School, Chandigarh!

On the occasion of World Environment Day 2025, the Hon'ble Prime Minister Narendra Modi launched the second phase of the nationwide tree plantation campaign 'Ek Ped Maa Ke Naam 2.0'. The initiative encourages citizens to plant a tree in honor of their mothers, blending emotional sentiment with ecological responsibility. As part of the drive, the government has set an ambitious target of planting 10 crore trees across the country between June 5 and September 30. This simple act serves a dual purpose: honouring the role of mothers in nurturing life and contributing to the health of the planet. Trees are life-sustaining, and just like a mother, they provide sustenance, protection, and a future for the next generation. Through this initiative, participating students will not only create a lasting memory in the honour of their mother but also will address the pressing need for environmental preservation.

We request you to kindly motivate your wards to plant sapling with their mother and capture the moment with a geo-tagged selfie and send to the respective Class In-charges. This initiative will definitely help to control the rising temperature in order to fulfil the dreams of the next generation.

Dr. Parveena John Singh
