Dear Parents/Guardian & Students (Grades Nursery to XII)
Greetings from Mount Carmel School, Chandigarh!

Kindly note the following with reference to the subject matter:

1. The Aadhaar (Enrolment and Update) Regulations, provide for Mandatory Biometric Update:
(i) MBU-1: upon attaining age of 5 years (Facial Image, Finger Prints and both Iris).
(ii) MBU-2: upon attaining 15 years of age (Facial Image, Finger Prints and both Iris) all three biometrics must be updated again.
2. It has been observed that some students between the ages of 5 years and 15 years have not completed their mandatory MBUs, resulting in pendency of MBU-1 or MBU-2.
3. **The Aadhaar Biometric Update is currently free of cost.**
4. **For the convenience of the Parents, the Education Department, Chandigarh & UIDAI in co-ordination with the School, is conducting Special Mandatory Biometric Update of Aadhaar Camp (MBU) at the School on 14th, 15th & 16th May 2026, during the regular School timings.**
5. This initiative offers increased convenience, as physical presence at Sampark Centres is no longer required.
6. **Documents required for the Aadhaar Biometric Update:**
- Copy of the Aadhaar Card of the student.

If the Aadhaar of your ward is not updated, you are requested to ensure that your ward is present in the School on 14th, 15th & 16th May, 2026. You are also requested to send copy of the Aadhaar Card of the student along with him/her to complete the biometric update.

Timely updation of Aadhaar is important as it enables children to avail benefits of government schemes, scholarships, admissions, and examinations in the future.

Coveting your kind co-operation.
