Dear Parents/Guardian & Students (Grade VI)  
Greetings from Mount Carmel School, Chandigarh!

**Please note the following important update regarding your child's language curriculum.**

This notice follows our previous communication dated 27-04-2026. The National Curriculum Framework for School Education (NCFSE-2023) emphasizing the importance of multilingualism, recommends teaching two native Indian languages to promote cultural understanding and national integration.

Starting in the 2026-27 Academic Session, the study of a Third Language (R3) is compulsory for Class VI. Under the Three-Language Policy, two of the three languages must be native Indian languages.

The School Management now offers **Sanskrit** also as a language option.

**Your Child's Language Options:**

For Grade VI, students will compulsorily study **English (R1)** as non-native language and **Hindi (R2)** as one of the native languages. You must choose **second native language (R3)** from the following options:

- (a) Punjabi
- (b) Sanskrit

**Action Required**

If you want your child to study **Sanskrit** as the **second (R3)** native language, please inform the Class In-charge by submitting a written application addressed to the Principal latest by **13<sup>th</sup> July 2026**.

Kindly note that rest of the students will be taught **Punjabi (R3)** as one of the native languages.

Warm regards,
